Appointments

The practice opens from 8:00am till 8:00pm. Face to face, telephone and video appointments can be booked by sending a text via WhatsApp to our business number or by phoning the surgery.

Prescriptions

Repeat prescriptions can be ordered online via the NHS app. You can download the app on a smart device, there is help for this on our website. The NHS app will also enable you to view your medication, consultations and blood tests.

Complaints and Compliments

We welcome comments, suggestions, and complaints regarding the services we provide. Our aim is to give you the highest possible standard of service and we aim to deal swiftly with any problems that occur. This form can be found on our website. The practice operates a zero tolerance of violence towards its staff and guests. The practice reserves the right to remove violent patients from our list.

Your Information- What You Need to Know

Your doctor and other health professionals caring for you keep records about your health and any treatment and care you receive from the NHS

Patient Participation Group

We have an active Patient Participation Group. Please ask reception for details or contact us via our website.

New members are always welcome.

Parking

The sites offer limited parking ONLY for patients and visitors to Market Harborough Medical Centre and Husbands Bosworth Surgery. Disabled access is provided close to the main entrances.

Training & Teaching Practice

As an active training practice at times we may offer you an appointment with a medical student or trainee, under the supervision of a GP. If you have an objection to this, please inform the clinician at the start of your appointment

Research Active

We are a research active practice, which means you may be contacted and invited to participate in various research studies.
